Hi Tim-

Just curious if the [REDACTED] case scheduled for trial on Monday, May 16, 2011 is still a go? I have no problem being there if needed (it is the only case I have that day), but it will take me ~2½ - 3 hours to drive there, find parking, and get into the courthouse and want to be able to plan my day accordingly. Thanks you for your attention to this matter.

Hi,

I was recently assigned the [REDACTED] drug case in the Brockton District Court. It's a 2004 case which was granted a new trial based on Melendez-Diaz. You performed analysis on the drugs back in 2004 (No. [REDACTED]). Could you please send me a copy of your resume so that I can provide it to defense counsel? The case was recently marked for trial on 5/16/11.

Thanks,
